Coach Michael F. White

Fast Start 180!

Is your origination production not living up to your expectations?

Are you new to street originations, or have you just hit a wall in your production?

Are you a manager or owner and need to jump-start your team's production?

Would you like to see more consistent results?

Time to consider Fast Start 180! Nationally known origination coach Michael F White has the plan. Learn the real W-O-R-K of the J-O-B mortgage originators are often missing!

This 180 day training program consists of:

- Building a real Business Plan
- Learning to use the tools of the trade
- Mastering the art of social media
- Why video can be your best friend
- Personal weekly accountability sessions
- Built in tracking and adjustment tools
- All the information, scripts, and strategies you will ever need!
- Real measurable progress and growth!

Real tools, real systems, real results!

Hundreds of originators across the country have been successful following just *part* of this comprehensive plan! See how your production can grow to 10+ units a month or *more!*

A onetime investment of \$3,750 per person is all it takes! Groups of 4 or more qualify for an onsite full day training at your location! Learn from the man that has broken it all down to the real fundamentals!

You may ask, “*what if I spend the money and this program doesn't work for me?*”

My answer to you is, “*what if you don't spend the money and it DOES?*”
